Tyra Nelson-Reck, Teacher Education Specialist PELSB

RE: Notification of Board Action: Metropolitan State University-**CONTINUING APPROVAL through June 30, 2030: Next site visit in fall 2029**

In compliance with board requirements, Metropolitan State University submitted a self-study in fall 2022 with the Professional Standards and Licensing Board (PELSB) to undergo an on-site institutional evaluation to demonstrate compliance with standards in Board Rule 8705.1010. Per rule, an addendum was submitted in fall 2023 and a virtual site-visit was conducted October 2-4, 2023.

As a result of their review, the peer evaluators recommend to the Board that Metropolitan State University be granted **CONTINUING APPROVAL through June 30, 2030 with the next self-study due fall 2028 and the next site visit to occur in fall 2029. The [Unit Report on Continuous Improvement](#) will be due on December 1, 2027.**
